

INTERNSHIP CERTIFICATE

Certificate ID: D64B94E461A4

This is to certify that **Aditya Behera** has successfully completed a 10-day internship program on **Advanced Computer Vision** at **YOLOvX by WISERLI** under the supervision of Mr. Sandeep Dwivedi (Assistant Professor, AIML Dept., SJCEM), the guidance of Dr. Chandrakant Bothe (Founder, YOLOvX) and WISERLI team.

During the internship period from May 18, 2025 to May 28, 2025, comprising 60 hours (1 academic credit) of rigorous workshops and hands-on practice with object detection algorithms and real-time detections using the **YOLOvX App**, Aditya Behera contributed effectively to assigned projects and tasks of real-world scenarios, consistently displaying a professional attitude and a willingness to learn.

We wish Aditya Behera all the best for the future endeavors.

Dr. Bothe
